- Customer acknowledges that, due to the nature of mobile technology, it is impossible to provide a fault-free Service. For example, the Services may be affected by local terrain (trees, hills and buildings), weather, electromagnetic interference, arrangement of and number of users accessing a base station, and compatibility and availability of any equipment, systems and third-party services used by Customer.
- Vodafone shall use reasonable endeavours to give Customer access to networks outside the UK; however, because these overseas networks are not controlled by Vodafone, Vodafone shall not be responsible for their performance or functionality.
- If content services are included in Customer's price plan, Vodafone shall provide Customer with the Content Service Pass which the content service provider shall accept to give Customer access to Customer's selected content.
- For an estimate of the speeds Customer may experience when in the UK, please see Vodafone's coverage checker at <https://www.vodafone.co.uk/explore/network/uk-coverage-map/>. To discuss any issues regarding Services or any redress in respect of the Services, please speak to Vodafone's Customer Services or Customer's account manager (where applicable). If a small business Customer experiences speeds that fall below those set out on Vodafone's coverage checker for an unreasonable period of time, a small business Customer may be entitled to a credit or have the right to terminate the Agreement early (without paying a Recovery Charge). To receive a credit or terminate this Agreement, a small business Customer must report the coverage issues to Vodafone's Customer Services who will consider the reported issues.

Customer is responsible for all obligations relating to the Equipment and Services including the compliance of Users and Customer Affiliates with the terms of this Agreement and all applicable laws.

5. Equipment supplied by Vodafone

- Vodafone shall bear the risk of loss or damage to Equipment and SIM Cards until the point of delivery to Customer and Customer shall bear the risk of loss or damage to Equipment and SIM Cards from the time of delivery to Customer.

- Vodafone shall pass on the benefit of any warranties it receives from the Equipment manufacturer to the Customer. Customer acknowledges that any attempt to repair, service or tamper with the Equipment by a person other than Vodafone or the applicable manufacturer may invalidate the manufacturer's warranty and may result in an impaired User experience. - 10.3 The Parties shall each have the right to terminate this Agreement in whole or part with immediate effect (by serving written notice of termination to the other Party): (a) if the other Party becomes subject to an Insolvency Event; or (b) if the other Party is in material breach of this Agreement (provided that where such breach is capable of remedy, the breaching Party is given 30 days to rectify such breach from the date that notice of any breach is deemed received from the non-infringing Party).

The payment will be calculated as 1/24 of the Equipment Subsidy multiplied by the number of months left in until the end of the Minimum Term.
