

Vodafone Data Test Drive - Vodafone Tech Team

- Hi, I'm Heidi from Vodafone
- Wouldn't it be awesome if you could find the right mobile internet price plan for you without running up a huge bill
- Well, with Data Test Drive, you can
- Use as much mobile internet as you want for three months and find out which plan suits you best
- Available for Pay Monthly customers on a mobile internet inclusive, 12 month SIM only, or handset plan you can basically use as much mobile internet as you want for three months
- We offer this so after the initial three months you can pick which Vodafone mobile internet plan suits your browsing habits best
- To find out more go to vodafone.co.uk/testdrive by clicking the link on the screen
- To find out more information about our other new products and services, like Buy Back, Call Back, Tech Team or Red Box, click the video on screen now
- It's another small thing that can mean the world
