

Vodafone Business Insurance – 1-49 Employees Video Script

Phones are essential for any business, but there are 8 million incidents of loss, theft or damage of devices in the UK each year, that's 1 every 4 seconds.

That's why Vodafone Business Insurance is designed to sort issues quickly, get you back up and running and keep you connected to your customers. So you're free to focus on your business, safe in the knowledge that you're covered.

We've got two levels of great value cover. There's our Damage and Breakdown Insurance, which protects your device against damage and out of warranty breakdowns. And our Standard Insurance that also includes loss and theft cover.

[On screen reference text]

Insurance is subject to a minimum 3 month term

Your policy can cover a mobile phone or tablet purchased from Vodafone, and it also covers your device if it's used by anyone authorised by you.

Your insurance even covers your device for worldwide trips of up to 30 days at a time.

For phones, you can also choose cover with our superfast Vodafone Rapid service. We'll aim to get you a replacement within 4 hours almost anywhere in the UK, and for every hour beyond the 4 hour delivery time we'll give you £10.

[On screen reference text]

Terms, geographical restrictions and exclusions apply. Maximum £40 credit for delayed delivery. Please see T&C's for full details: vodafone.co.uk/terms

There's a nice, simple claims process and a low excess too.

[On screen reference text]

An excess is payable for all successful claims, which will be added to your next bill.

Be Ready with device insurance that's got you covered, go in store or visit the website for more information.
