

Enterprise price plan guide

Vodafone Ireland Plus

This Price Plan Guide applies to the Vodafone Ireland Plus price plan and is incorporated into the Commercial Terms between Vodafone and Customer and, together with the General Terms and Mobile Service Terms, shall form the Agreement for the Ireland Plus price plan.

Service Details

This Price Plan Guide applies to the Vodafone Ireland Plus price plan and is incorporated into the Commercial Terms between Vodafone and Customer and, together with the General Terms and Mobile Service Terms, shall form the Agreement for the Ireland Plus price plan.

Opting In

Customer may opt into Vodafone Ireland Plus at account level only. Vodafone Ireland Plus may take up to 24-hours to be applied to or removed from Customer's account.

Using EuroTraveller

Once opted in Customer's voice-enabled Connections will be able to use the Customer's applicable UK price plan (minutes, texts and data) when travelling in the Republic of Ireland. The Vodafone Ireland Plus monthly charge of £4.17 (ex VAT) will be applied automatically to Customer's bill until Customer opts out. The Charge applies per Connection.

Whilst in the Republic of Ireland each voice-enabled Connection can use Customer's applicable UK price plan to call and text standard mobiles and standard landlines (excluding premium rate, non-geographic numbers and revenue share numbers) within the UK and in the Republic of Ireland. Calls to countries outside of the UK and Republic of Ireland will be charged at our standard international rates.

Customer can use international add-ons with Vodafone Ireland Plus while making calls to a country outside the UK and Republic of Ireland. Customer shall also be able to use its standard Email plans whilst in the Republic of Ireland and the UK.

Please be aware

Customer accepts that by opting in to Vodafone Ireland Plus it will be opting out of the European 50 euro monthly mobile data spend cap in the Republic of Ireland.

If Customer exceeds the applicable UK price plan allowance Customer will be charged at its contracted standard UK price plan rates for making calls, sending texts and using data as if the Connection(s) were in the UK.
