

## **Where can I get 5G abroad?**

From the 26 July 2019, if you're on a 5G plan and device, you can also use 5G in Spain, Germany and Italy where it's available.

As more countries turn on 5G, our roaming network will expand to include them. In addition to these countries, customers can use Vodafone Unlimited on 4G in 77 destinations worldwide – the largest roaming footprint of any UK provider.

### **Italy (5 cities)**

- Milan
- Rome
- Turin
- Naples
- Bologna

### **Spain (15 cities)**

- Madrid
- Barcelona
- Valencia
- Seville
- Malaga
- Zaragoza
- Pamplona
- Bilbao
- La Coruña
- Vigo
- Vitoria
- San Sebastián
- Gijón
- Logroño
- Santander

### **Germany (20 towns & cities)**

Cologne, Dusseldorf, Hamburg, Dortmund and Munich are among the initial launch cities. In August, 5G will become available in other major cities

including Berlin and Frankfurt, with aims to have the technology in 25 cities, 25 municipalities and 10 industrial parks by March 2020.
