It means you can stay in contact wherever you are, stores valuable memories, provides entertainment on the move and so much more.	This insurance is included as part of your Business Premier (excluding Business Premier 4GB), Business Black and Business Black Global plan and provides cover for the device purchased direct from Vodafone, against damage and breakdown. This policy has been designed to cover the cost of repairing or replacing your mobile device against damage and breakdown (including faults). Successful claims are subject to an excess payment by you and you should take

	<p>this into consideration when deciding if this policy, included as part of your tariff, is suitable for you.</p> <p>You should review the terms and conditions of this policy regularly to ensure that this insurance meets your requirements.</p>
<p>It is important to note that this insurance is valid on the understanding that you will take care of your mobile device.</p>	<p>Having insurance does not mean that you can take risks with your mobile device which you would not take if your mobile device was not insured as doing so may result in your claim being declined. Further details can be found in the section 'What you are NOT covered for'</p>

We do understand that every claim can be quite different and we will make every effort to take this into consideration when we review a claim.
