Please note that by opting into Small Business Traveller:

- Customer will automatically opt out of the 50 euro spend data cap and associated notifications whilst in the World Zone
- Customer will still be opted into the monthly spend limit in countries outside our World Zone

Customers can opt out of Small Business Traveller at any time and will revert back to standard roaming rates and the 50 euro monthly spend data cap and associated notifications whilst in the World Zone. They will not lose their Europe Zone benefit.

The Small Business Traveller price plan guide applies to Customer's use of Small Business Traveller (please see www.vodafone.co.uk/businesstraveller).

Inclusive Roaming Fair Usage Policy

Inclusive European Roaming services in Europe Zone 1 and 2 are intended for use during periodic travel and not for customers roaming across foreign networks on a semi-permanent or permanent basis.

If customers use their mobile in our Europe Zone 1 and 2 for more than 50% of the time in any 4 month rolling period, they will receive a text requesting more moderate use of our roaming services.

If customers' usage in our inclusive Europe Zone 1 and 2 continues to exceed 50% as described above, over the 2-week period following the first notification, customers may be charged for further use or we may bar them from using our roaming services. Customers will be notified before we do this.

Inclusive Non-Geo minutes

Normally starting with 084 and 087, non-geographic numbers are often helplines for organisations like banks, insurance companies, utilities and charities. Calls to these numbers are not usually included in Customer's monthly minutes' allowance, however Business Premier SIM Only 3, 4 and 5 includes 300 of these minutes for free.
