All Charges exclude VAT.
2. Vodafone Data Sharer allows an overall data bundle to be shared between multiple Connections within a group. The group is composed of a lead Connection, and linking member Connections (the "Group"). Customer is only permitted to have one Group unless Vodafone expressly agrees otherwise.
3. The lead Connection shall incur all Vodafone Data Sharer charges. Customer shall ensure that it has a lead Connection on its account at all times. In the event there is no lead Connection on Customer's account: (a) Vodafone shall notify Customer to connect a lead Connection; (c) Customer shall connect the lead Connection within 24 hours of Vodafone's notice; and (c) Customer shall pay Vodafone all data charges incurred in respect of the member Connections as though a lead Connection was present.
