Vodafone Business Premier Plans – SIM Only

Free Data Share SIM

All Vodafone Business Premier Plans can benefit from a free data share SIM for the duration of the contract (being a SIM which enables the data allowance to be shared across SIMs. Vodafone reserves the right to disconnect the SIM if it is (wrongly) available under a Vodafone Business Premier Plan.

The 'data share' Connection provided with Vodafone Business Premier Plans is a data-only SIM Card which should be used in mobile broadband devices like dongles and tablets. If Customer disconnects, terminates, migrates or upgrades the primary Vodafone Business Premier Plan Connection (which the 'data share' Connection is attached to), then out of bundle charges shall apply to any usage on the 'data share' Connection as set out below or the 'data share' Connection may be terminated if Customer leaves Vodafone.

The 'data share' Connection is Customer's responsibility. If the 'data share' SIM Card is lost or stolen, please notify Vodafone customer services immediately. If Customer does not want the 'data share' Connection, Customer shall contact Vodafone who will remove it from Customer's account.

If Customer uses a data-only SIM Card (including the 'data share' SIM Card) meant for a mobile broadband device (like a tablet or dongle) to make voice calls or send texts, the out of bundle charges in the tables below will apply.

Fair Usage Policy

Our European Roaming services are intended for use during periodic travel and not for customers roaming across foreign networks on a semi-permanent or permanent basis.

If you use your mobile in our European roaming zones for more than 50% of the time in any 4 month rolling period, you will receive a text from Vodafone requesting your more moderate use of our roaming services.

If your usage in our European zone continues to exceed 50% as described above, over the 2-week period following our notification, we may charge you for further use or bar you from using our roaming services. We'll always let you know before we do this.

Inclusive Non-Geo minutes

Normally starting with 084 and 087, non-geographic numbers are often helplines for organisations like banks, insurance companies, utilities and charities. Calls to these numbers are not usually included in Customer's monthly minutes allowance, however Business Premier SIM Only 3, 4 and 5 includes 300 of these minutes for free.
