# Enterprise price plan guide

## Vodafone Small Business Plans

Customers can opt out of Business Traveller at any time and will revert back to standard roaming rates and the 50 euro monthly spend data cap and associated notifications whilst in the World Zone. They will not lose their Europe Zone benefit.

The Business Traveller price plan guide applies to Customer's use of Business Traveller (please see [www.vodafone.co.uk/businesstraveller](http://www.vodafone.co.uk/businesstraveller)).

### Fair Usage Policy

Our European Roaming services are intended for use during periodic travel and not for customers roaming across foreign networks on a semi-permanent or permanent basis.

If you use your mobile in our European roaming zones for more than 50% of the time in any 4 month rolling period, you will receive a text from Vodafone requesting your more moderate use of our roaming services.

If your usage in our European zone continues to exceed 50% as described above, over the 2-week period following our notification, we may charge you for further use or bar you from using our roaming services. We'll always let you know before we do this.

### Inclusive Secure Net

Inclusive Secure Net is free in all Vodafone small business plans and helps protect against viruses, malware and phishing when you and your employees browse the internet, download files or use email on your mobile devices.

See <http://www.vodafone.co.uk/securenet> for service terms and more details.

### RPI

Each April your monthly Access Fee will increase by an amount equal to the Retail Price Index (RPI) rate published by the Office for National Statistics in January. We will apply the RPI rate adjustment in your April bill. If the RPI rate is a decrease, your monthly Access Fee will not be reduced. If we increase your monthly Access Fee above the RPI rate or more than once per calendar year you will have a right to end this agreement.

### Inclusive Prime Contact

Prime Contact provides dedicated support and a named telephone adviser who can give both account and technical help specific to Customer's business. They also undertake quality health checks on Customer's accounts to ensure Customer is getting the most out of its contract. This is available to free in all our Business Premier and Business Black plans.

Prime Contact is reachable through multiple direct channels, and at a time that suits Customer's business. A dedicated Prime Contact with extended working hours, Monday to Friday 8am – 9pm and direct access via 191, web chat, or call back service.

The following Prime Contact Service Terms shall apply:

Customers which are businesses of 9 or fewer employees: the Service Terms found at [www.vodafone.co.uk/smallbusinessprimecontactterms](http://www.vodafone.co.uk/smallbusinessprimecontactterms) under Prime Contact Service Terms (SMB); or

Customers which are businesses of 10 or more employees: the Service Terms found at [www.vodafone.co.uk/smeprimecontactterms](http://www.vodafone.co.uk/smeprimecontactterms) under Prime Contact Service Terms (SME).

In either case Prime Contact shall be an inclusive Service within Customer's tariff and may not be removed.

### Free Data Sharing SIM

All Vodafone Business Premier and Business Black Plans can benefit from a free data share SIM for the duration of the contract (being a SIM which enables the data allowance to be shared across SIMs). Vodafone reserves the right to disconnect the SIM if it is (wrongly) available under a Small Business plan.

The 'data share' Connection provided with selected Vodafone Business Premier Plans is a data-only SIM Card which should be used in mobile broadband devices like dongles and tablets. If Customer disconnects, terminates, migrates or upgrades the primary Vodafone Business Premier Plan Connection (which the 'data share' Connection is attached to), then out of bundle charges shall apply to any usage on the 'data share' Connection as set out below or the 'data share' Connection may be terminated if Customer leaves Vodafone.

The 'data share' Connection is Customer's responsibility. If the 'data share' SIM Card is lost or stolen, please notify Vodafone customer services immediately. If Customer does not want the 'data share' Connection, Customer shall contact Vodafone who will remove it from Customer's account.

If Customer uses a data-only SIM Card (including the 'data share' SIM Card) meant for a mobile broadband device (like a tablet or dongle) to make voice calls or send texts, the out of bundle charges in the tables below will apply.

### Flexi-Upgrade Fee

If you qualify for Flexi-upgrades (see your Welcome Letter), you'll need to pay a fee if you upgrade early. The fee is based on the cost of the equipment and the remaining time left on your contract, and can be calculated as follows:

$$\text{Equipment Subsidy} \div \text{Minimum Term (months)} \times \text{remaining contract (months)}$$

### Paying for your equipment

If you end this Agreement for Vodafone's breach or if we are unable to permanently provide the Services to you during the Minimum Term you'll have to pay for the balance of the Equipment Subsidy. All the information required to calculate this cost is set out in your Order Form and Welcome Letter, including the original value, upfront charge and subsidy on your Equipment. The amount you will pay will be 1/24 of the original value of the Equipment Subsidy, multiplied by the number of months left on the Minimum Term at the time the Agreement ends. You agree to pay this as soon as Vodafone asks after the Agreement ends.

When we have settled the third claim then this policy will automatically cancel.</b></p> <p>For example if you make your first claim on the 1<sup>st</sup> January, you are limited to only two more claims up until 1<sup>st</sup> January the following year. The policy will cancel on the date which we settle your third claim</p>
Damage or breakdown as a result of not taking care of your mobile device	<p><b>We know how important your mobile device is to you and we expect that you will take care of it. If you don't take care of your mobile device then we may not pay your claim.</b></p> <p>Taking care of your mobile device means –</p> <ul style="list-style-type: none"> <li>• Following manufacturer instructions on the use of your phone</li> <li>• Not knowingly leaving your mobile device where others can see it but you cannot and your mobile device could be damaged by another person</li> <li>• Intentionally damaging your phone</li> </ul> <p>These examples increase the risk of it being damaged and may result in your claim being declined. The examples are to help you understand what's covered, and are not the only reasons a claim could be rejected.</p>
Breakdown covered by the manufacturer's warranty	<p><b>This policy does not provide cover for problems with your mobile device that are covered by the manufacturer warranty.</b></p> <p>If your mobile device does develop a fault whilst still under warranty you should follow the warranty returns process as specified by the manufacturer.</p>
Cosmetic damage	<p><b>We only cover damage if it stops the normal functioning of your mobile device. If it is just a scratch or dent, and your mobile device still works as expected, then we will not repair or replace it.</b></p> <p>We know scratches and scrapes to your mobile device aren't nice but we are here to fix your mobile device when it isn't working, so if it still functions as you would expect then we can't help. For example, a scratched screen would not be covered but a cracked screen would be covered.</p>

Summary	Description
Contents of your mobile device	<b>We only cover the mobile device, we don't cover the contents.</b> This means that any pictures, software, downloads, apps, music or any other content is not covered by this policy so make sure you back it up regularly.  There are lots of ways to back up the contents of your mobile device and we suggest you do this regularly so if you have a claim and you lose your mobile device's contents as a result, you can download it on to your replacement mobile device and be up and running again in no time.
Other losses	<b>Any cost or losses that can't be resolved by the repair or replacement of your mobile device</b>
Modifications	<b>We don't cover any loss of profit, opportunity, goodwill or similar losses. We just cover the mobile device. If your mobile device has been modified in any way we will only replace the mobile device, we do not cover the modifications that have been made.</b>  Modifications are anything that changes the way your mobile device looks or operates from the original specifications. This includes things like adding gems, precious metals or making software changes such as unlocking your mobile device from a network.

### How to make a claim

Summary	Description
<b>Step One:</b>	You should tell us about your claim as soon as you can after discovering the incident. You can do this by calling us on 0333 304 3346 or from abroad; +44 7836 191 191.
<b>Step Two:</b>	We will walk you through the simple claims process and tell you what information you will need to provide for us to assess your claim. You may be asked to complete a claim form or provide additional information in order to progress Your claim. Failure to do so may result in Your claim being delayed.
<b>Step Three:</b>	You will need to pay your excess for every accepted claim on the insured device. Your excess will be applied to your next Vodafone bill.
<b>Step Four:</b>	We will either repair your mobile device or send you a replacement. <b>If you are sending your damaged device to us for repair you must remove any locking mechanism (e.g. Find My Phone) before we receive it. If this is not done it will delay your claim and your mobile device may be returned to you unrepared in order to remove any locking mechanism. We will not be able to complete a claim until we can confirm the security features have been removed.</b>

### What you need to know about the claims process

- Where we replace the mobile device the replacement may be a refurbished (not brand new) device
- Any postage costs incurred in sending your mobile device to us for repair are not covered under this insurance
- If we are unable to replace your device with the same make and model, we will contact you to discuss an alternative claim settlement
