Inclusive Roaming Fair Usage Policy

Inclusive European Roaming services in Europe Zone 1 and 2 are intended for use during periodic travel and not for customers roaming across foreign networks on a semi-permanent or permanent basis.

If customers use their mobile in our Europe Zone 1 and 2 for more than 50% of the time in any 4 month rolling period, they will receive a text requesting more moderate use of our roaming services.

If customers' usage in our inclusive Europe Zone 1 and 2 continues to exceed 50% as described above, over the 2-week period following the first notification, customers may be charged for further use or we may bar them from using our roaming services. Customers will be notified before we do this.
