Vodafone 4G RED and 4G RED Business

Enterprise Customers

This Price Plan Guide applies to the Vodafone 4G RED and 4G RED Business price plans and is incorporated into the Commercial Terms between Vodafone and Customer and, together with the General Terms, Mobility Service Terms, Service Specific Terms, Order and any applicable policies and guidelines, shall form the Agreement for the Vodafone 4G RED Business price plan or the Vodafone 4G RED price plan.

All Charges detailed in this Price Plan Guide are Standard List Price and subject to change.

1. Unlimited Minutes and Texts

- 1.1 Each Connection on a 4G RED or 4G RED Business Voice price plan has unlimited calls to UK mobiles and UK landlines (starting 01, 02, 03) and standard UK text messages made and sent (as applicable) from and to the UK.
- 1.2 All other call and text types are charged at the rates set out in this Price Plan Guide.
- 1.3 The 'data share' Connection is not a Voice Connection and will not have unlimited calls and texts.
- 1.4 Calls made through the return call service via voicemail are not included in Customer's allowance.

2. Data

- 2.1 Data allowances apply to data usage within the UK.
- 2.2 Up to four (4) Connections on a 4G RED Business price plan on the same Customer account can share their UK data allowances (where applicable), plus any 4G RED Business optional internet packs, in a 'data pool'. Any 'data share' Connection provided with a Connection on a 4G RED Business price plan can also use the 'data pool'. Connections on other price plans or on other accounts will not be able to share data.
- 2.3 Where Customer has multiple Connections on the 4G Red Business price plan in its account, Customer must have a 'Lead Connection' among its 'Member Connections'. The Lead Connection and the Member Connections on the 4G RED Business price plan are called the "**Group**".
- 2.4 The 'data share' Connection provided with selected 4G RED Business price plans, is a Data-only SIM which should be used in mobile broadband devices like dongles and tablets. If Customer disconnects, terminates, migrates or upgrades the primary 4G RED Business price plan Connection (which the 'data share' Connection is attached to), then out of bundle Charges shall apply to any usage on the 'data share' Connection as set out below or the 'data share' Connection may be terminated if Customer leaves Vodafone.
- 2.5 The 'data share' Connection is Customer's responsibility. If the 'data share' SIM is lost or stolen, Customer must notify Vodafone customer services immediately. If Customer does not want the 'data share' Connection, Customer shall contact Vodafone who will remove it from Customer's account.
- 2.6 If Customer uses a Data-only SIM (including the 'data share' SIM) meant for a mobile broadband device (like a tablet or dongle) to make voice calls or send texts, the out of bundle charges in the tables below will apply.
- 2.7 The Lead Connection:
 - (a) will incur all Charges incurred by the Group;
 - (b) cannot have a content bar applied because out of bundle charges will be recorded as content purchases; and
 - (c) must be a 'smartphone'.
- 2.8 If the Lead Connection is disconnected: (a) the last voice-enabled Member Connection in the Group will be assigned 'Lead Connection' status; and (b) Vodafone shall text the Lead Connection notifying it of the disconnection.
- 2.9 4G RED Business is not compatible with: (a) individual data allowances (but Customer may still be charged); and (b) Data Test Drive (where available).
- 2.10 Customer may not have more than 4 primary Connections (excluding 'data share' SIMs) in its Group.
- 2.11 Vodafone 4G RED Business billing does not support automatic cost centre allocations of Charges.
