Service Plans V-Home Connected by plans (also known as Works With V-Home Service Plans)

V-Home Connected by plans are available with a SmartThings hub when purchased from the Vodafone Smart Tech store as an individual item and not as part of the V-Home Safety Starter Kit. The V-Home Connected by Service Plans work with the SmartThings hub and a range of connected devices. We will let you know which devices are compatible with a specific Service Plan. More information on each of the Service plans can be found at <https://workswithv.vodafone.com/help-and-support>.

Service Plan	Devices	Billing Cycle	Minimum Term	Price per billing cycle	Add-Ons available	Connection
V-Home Essential	SmartThings Hub & compatible devices	Monthly	1 month	£0.00	Video Assist+	Broadband
V-Home Video (Essential included)	SmartThings Hub & compatible devices	Monthly	1 month	£2.00	Assist+	Broadband
V-Home Assist+ (Essential included)	SmartThings Hub & compatible devices	Monthly	1 month	£3.00	Video	Broadband
V-Home Complete (Includes All)	SmartThings Hub & compatible devices	Monthly	1 month	£5.00	N/A	Broadband

For certain V-Home Connected by Service Plans, you will be able to purchase add-on services at any time to compliment the Service Plan you have selected. For example, if you select a V-Home Video plan, you will be able to add-on V-Home Assist+ for an additional monthly fee, as set out above.

Please note, the Smart SIM provisions above do not apply to V-Home services.
