Inclusive Roaming Fair Usage Policy for Unlimited plans taken between 25th February 2020 and 23rd February 2021

If you have one of our Business Unlimited 36 month plans, data usage when roaming is capped at 25GB per billing month in Roam-free and Roam further destinations. We will notify you as you approach this limit. If customers use their mobile in our Europe Zone 1 and 2 for more than 50% of the time in any 4 month rolling period, they will receive a text requesting more moderate use of our roaming services.

If customers' usage in our inclusive Europe Zone 1 and 2 continues to exceed 50% as described above, over the 2-week period following the first notification, customers may be charged for further use or we may bar them from using our roaming services. Customers will be notified before we do this.
