The Vodafone communities.connected Mobile Broadband plans “Eligible Product” are only available:

- to customers aiming to ensure digital education and inclusion initiatives in the current context, such as but not limited to: city councils, primary schools, secondary schools, high schools, universities, charities;
- on a 30-day rolling contract, a 6-month contract and a 12-month contract;
- without a minimum or maximum number of connections; and
- for new connections only; cannot be used for renewing or upgrading existing connections.

Charges for Vodafone communities.connected Mobile Broadband SIM Only plans (30-day rolling contracts) will be added to the Customer’s monthly bill and is a monthly recurring charge plan. Vodafone communities.connected Broadband Mobile Wi-Fi plans (6 and 12-month contracts) will be charged upfront in one lumpsum bill and will not have recurring charges. 6 and 12 month contracts include a Vodafone Mobile Mi-Fi or Dongle device that can be used with the included SIM card.

Customers should note in particular that the communities.connected Mobile Broadband plans:

- (a) can only be used in the United Kingdom and may not be used while roaming;
- (b) are single user plan intended for individual use; and
- (c) cannot be used for sending SMS or making voice calls.

Vodafone reserves the right to terminate Eligible Products at any point in accordance with the General Terms and the Mobility Service Terms. Vodafone will give the Customer 30 days’ notice prior to terminating the Eligible Products.

Customer may terminate the 30 day Eligible Product at any time by serving notice to Vodafone in accordance with the General Terms. Vodafone will terminate the 6 and/or 12 month Eligible Product after the contractual period ends.

Where a Customer or Vodafone terminates prior to the end of the contractual period, the Customer will be charged a prorated amount for the number of days from the date of the Customer’s last bill, to the date of termination. This does not apply to communities.connected Mobile Broadband Mobile Wi-Fi plans.

Upon termination of the connection by Vodafone, or Customer, Customer can request that the Eligible Product be migrated to an alternative standard Vodafone Price Plan by paying the applicable charge and accepting the applicable terms and conditions. Customer will opt into a new contract and Minimum Term.

Eligible Products will have the data allowance set out in the plan tables below which can be used without an additional charge. If you reach this limit, you will no longer be able to use data.

The communities.connected Mobile Broadband plan is 4G and 5G enabled. Speeds may vary subject to network coverage, capacity, and the mobile broadband device used for connection.
