## Who is this cover designed for?

**For many people a mobile device is much more than a device for making calls. It means you can stay in contact wherever you are, stores valuable memories, provides entertainment on the move and so much more.**

This policy is designed for people who have a mobile device connected to the Vodafone network that is not already covered under another insurance policy and you want to cover the cost of repairing or replacing your mobile device against loss, theft, damage and breakdown (including faults). Successful claims are subject to an excess payment by you and you should take this into consideration when deciding if this policy is suitable for you.

You must be at least 18 years of age at the time you purchased this insurance, a permanent resident in the United Kingdom and have a **Vodafone EVO Plan**, a **Vodafone Plan** or a **Vodafone SIMO Plan** for the duration of this policy.

Mobile devices can be up to 18 months old at the time you purchase this insurance policy.

Mobile devices need to have been bought as brand new or refurbished items directly from a manufacturer, network provider, retail store (high street or online). We do not cover mobile devices which were bought as second-hand or used.

Insurance cover can only be bought by the Vodafone account owner or someone the account owner has given partial administration permissions to their account.

You must be up to date with payments under your Vodafone Airtime Plan and / or existing Vodafone Insurance policies.

---

**It is important to note that this insurance is offered on the understanding that you will take care of your mobile device.**

Having insurance does not mean that you can take risks with your mobile device which you would not take if your mobile device was not insured as doing so may result in your claim being declined. Further details can be found in the section 'What you are NOT covered for'.

---

We do understand that every claim can be quite different and we will make every effort to take this into consideration when we review a claim.

also

Your registered mobile device is covered for:

- Loss
- Theft
- Damage
- Breakdown (including faults)

occurring anywhere in the world.

Benefits you receive

Insurance cover for the mobile device connected to the Vodafone network and registered with us which must be owned by you.

If your mobile device is damaged or breaks down we will either repair or replace it.

If your mobile device is lost or stolen we will replace it.

**Replacements**

1. This is not 'new for old' insurance, and replacement devices will come from fully refurbished stock (not brand new).
2. We will attempt to replace your device with one of the same colour but we cannot guarantee to do this or replace any limited or special edition mobile devices.
3. If we cannot replace your device with one of the same make, model and specification we will contact you to discuss alternative mobile devices of similar specification.

If you are unable to provide the damaged mobile device to support your claim for a damage or breakdown incident, then this will be classified as a lost mobile device claim.

Where we send you a replacement or repaired item, this will only be sent to a UK address.

If your mobile device is replaced in the first three months of your contract we will only deliver to your billing address. This applies to both a **Vodafone EVO Plan**, **Vodafone Plan** and a **Vodafone SIMO Plan**.

**Your accessories purchased from Vodafone are covered for loss, theft or damage at the same time as your mobile device up to a value of £200 (including VAT). This could be a case, headphones, Bluetooth headsets etc.**

If your accessories that have been purchased from Vodafone are lost, stolen or damaged at the same time as your mobile device we will replace them with accessories of a similar specification. If we are unable to provide a replacement of a similar specification, we will contact you to discuss an alternative settlement. Proof of ownership (e.g. receipts) for your accessories may be required in order for us to assess your claim.

## What you are NOT covered for

Summary	Description
<b>Excess.</b>	<p>You need to pay a contribution every time you make a successful claim of <b>£79</b>.</p> <p>This is the excess.</p>
<b>Loss, theft, damage or breakdown as a result of not taking care of your mobile device.</b>	<p>Taking care of your mobile device means:</p> <ul style="list-style-type: none"><li>• Not knowingly leaving your mobile device somewhere it is likely to be lost, stolen or damaged. Just think would you leave your wallet or purse there?</li><li>• If you need to leave your mobile device somewhere then we expect you to <b>lock it away out of sight</b> if at all possible. If you cannot lock it away then you must leave it with <b>someone you trust or concealed out of sight in a safe place</b>.</li><li>• Making reasonable enquiries to find your device if you think you have lost it.</li></ul> <p>If you knowingly leave your mobile device where others can see it but you cannot and your mobile device is then lost or stolen we may not pay your claim.</p> <p>We will always take into account where you are and what you are doing when we assess whether you have taken care of your device. If we believe you have not taken care of your mobile device, and have knowingly taken a risk with it, we may decline your claim.</p> <p>If you knowingly leave your mobile device somewhere you can't see it but others can, we may decline your claim for not taking care of your mobile device for example:</p> <ul style="list-style-type: none"><li>• In a cafe or pub you leave your mobile device on the table when you go to the bar to pick up your drink instead of taking it with you.</li><li>• Leaving your mobile device on display in your car or leaving your mobile device in the care of someone you don't know well.</li><li>• If you are at the gym and you leave your mobile device on a bench in the changing rooms rather than taking it with you or storing it in a locker.</li><li>• Intentionally damaging your device.</li></ul> <p>All of these examples increase the risk of it being lost, stolen or damaged and may result in your claim being declined. The examples are to help you understand what's covered, and are not the only reasons a claim could be rejected.</p>

---

**More than 3 claims in a 12 month period.**

**There is a limit of 3 successful claims in any twelve month period, beginning from the date of the first claim. When we have settled the third claim then this policy will automatically cancel.**

For example if you make your first claim on the 1st January, you are limited to only two more claims up until 1st January the following year.

The policy will cancel on the date on which we settle your third claim.

---

**Cosmetic damage.**

**We only cover damage if it stops the normal functioning of your mobile device. If it is just a scratch or dent, and your mobile device still works as expected, then we will not repair or replace it.**

We know scratches and scrapes to your mobile device aren't nice but we are here to fix your mobile device when it isn't working, so if it still functions as you would expect then we can't help. For example, a scratched screen would not be covered but a cracked screen would be covered.

---

**Contents of your mobile device.**

**We only cover the mobile device, we don't cover the contents. This means that any pictures, software, downloads, apps, music or any other content is not covered by this policy so make sure you back it up regularly. This also means that if any of the data or information stored on your device is used to access any existing accounts or opening new accounts through fraud, we do not cover any financial losses as a result of these acts.**

There are lots of ways to back up the contents of your mobile device and we suggest you do this regularly so if you have a claim and you lose your mobile device's contents as a result, you can download it on to your replacement mobile device and be up and running again in no time.

---

**Unauthorised network charges.**

**You should report the loss or theft of your mobile device to Vodafone as soon as possible to limit unauthorised network charges (calls, data etc) as this is not covered under this insurance.**

---

---

**Other losses.****Any cost or losses that can't be resolved by the repair or replacement of your mobile device.**

We don't cover any loss of profit, opportunity, goodwill or similar losses. We just cover the mobile device and accessories.

---

**Modifications.****If your mobile device has been modified in any way we will only replace the mobile device, we do not cover the modifications that have been made.**

Modifications are anything that changes the way your mobile device looks or operates from the original purchased item. This includes unlocking your device from the network, adding gems or precious metals.

---

**Actions you will need to take on the loss or theft of your mobile device**

Summary	Description
<b>Tell Vodafone if your mobile device is lost or stolen as soon as you can.</b>	You may be held liable for any unauthorised network charges (calls, data etc.) made after your device is stolen so it is important to block your device and SIM card with Vodafone as soon as possible. You can do this by calling us on 0333 304 0191 or from abroad; +44 7836 191 191.
<b>If your mobile device is stolen report it to the Police.</b>	<b>Tell the Police about any stolen mobile device as soon as you can. We will ask you to provide the Police reference number before we will pay any claim for theft.</b> If you have difficulty reporting your incident to the Police please contact us and we can provide advice on what to do. If you are outside of the UK when the mobile device is stolen, please contact the relevant local authorities to report the incident and obtain a reference number from them.
<b>Report any loss or theft to the place you believe your mobile device has been lost or stolen from.</b>	<b>We expect you to report your mobile device as lost or stolen to the place you think it has been lost or stolen from.</b> Often mobile devices are handed in to the place they were found at. We expect you to report the loss or theft of your mobile device to the place you think it was lost or stolen from or is most likely to be handed back to. We may ask you to provide the details of where your handset was lost or stolen from and actions you have taken to try to recover it.

## How to make a claim

Summary	Description
<b>Step One:</b>	Please make sure you have read the “Actions you will need to take on loss, theft, breakdown or damage to your mobile device” section as this tells you what we may need from you in order to settle your claim.
<b>Step Two:</b>	You should tell us about your claim as soon as you can after discovering the incident. You can do this by calling us on 0333 304 3346 (standard call charges apply) or from abroad; +44 7836 191 191 (free from a Vodafone mobile).
<b>Step Three:</b>	When you contact us, we will walk you through the simple claims process and tell you what information you will need to provide for us to assess your claim.  You may be asked to complete a claim form or provide additional information in order to progress your claim. Failure to do so may result in your claim being delayed.
<b>Step Four:</b>	You will need to pay your excess for every successful claim. Your excess will be applied to your next Vodafone network bill.
<b>Step Five:</b>	We will either repair your mobile device or send you a replacement.  In the event of your mobile device being lost or stolen we will blacklist the mobile device to prevent it from being used.  <b>If you are claiming for a damaged device and we need to provide you with a replacement, we will not be able to send you the replacement device until we have been able to confirm that any locking mechanism has been removed (e.g. Find My iPhone).</b>

### Next day delivery

For claims where we are providing a replacement device this will be done by next day delivery once the claim has been approved, with the exception of UK Bank Holidays. This service is available for addresses in mainland UK except for the following postcodes:

AB31 to AB56  
FK17 to FK21  
HS1 to HS9  
IV (All)  
PA20 to PA78  
PH15 to PH18

During the first 3 months of this policy we can only send a replacement device to the Vodafone billing address.

## What you need to know about the claims process

- This is not 'new for old' insurance, and replacement devices will come from fully refurbished stock (not brand new). Before we send any devices to settle a claim, we undertake a comprehensive checking process to ensure they are in full working order. All devices will come with a 1-year warranty. We will attempt to replace your device with one of the same colour but we can't guarantee to do this or replace any limited or special edition device.
- If we are unable to replace your device with the same make and model, we will contact you to discuss an alternative claim settlement.
- If any lost, stolen or damaged items are recovered after the claim is approved, they shall become the property of the insurer and must be returned to us immediately. Damaged mobile devices and accessories, parts and materials replaced by us shall become the property of the insurer.
- In some instances we may arrange to deliver your replacement device at the same time as collecting your damaged device. If you return a device or item other than the insured device we will either recover the replacement device, block the replacement handset to prevent it from being used or recover the cash value by adding this to your Vodafone network bill. The action taken will be at our sole discretion.
- Please ensure that you pick a date and time for delivery which is convenient for you and that you have your damaged mobile device available and ready for collection for that time. If you select a date/time for collection and delivery but are not available or do not have your damaged mobile device available for collection we will charge you £20 to cover our costs of having to redeliver at a later date.

## What if your claim is rejected?

If you're not happy with the claim decision, we want to hear from you as soon as possible. Please follow the complaints process.

## Fraud

We do not tolerate any aspect of fraudulent activity.

We work closely and share data with other insurers, law enforcement agencies, fraud prevention agencies, public bodies and airtime providers to identify fraud and support prosecution where appropriate evidence exists.

We, and other organisations, may access and use the information recorded by fraud prevention agencies, from

both the UK and from other countries. It is important that when applying for insurance, or submitting a claim you or anyone acting on your behalf must take reasonable care to answer all questions honestly and to the best of your knowledge. Failure to do so may affect the validity of your policy or the fulfilment of your claim. If false or inaccurate information is provided and fraud is identified then we may :

- Reject the claim and we may cancel your policy. If an excess has been paid this will be returned.
- Report you to relevant authorities and take legal action, if necessary, to recover any money already paid to you under this insurance policy.
- Pass the details onto your network or our distribution partner providing this service as part of a wider offering.
- Share details of the fraudulent claim with a number of industry wide fraud prevention databases. A list of participants and the name and address of the operators are available on request.
- Pass details to fraud prevention agencies.
- Law enforcement agencies may access and use this information. We and other organisations may also access and use this information to prevent fraud and money laundering, for example, when:
  - Checking details on applications for credit and credit related accounts or facilities.
  - To prevent and detect fraud.
  - Managing credit and credit related accounts or facilities.
  - Checking details on proposals and claims for all types of insurance.
  - Checking details of job applicants and employees.

We and other organisations may access and use from other countries the information recorded by fraud prevention agencies. Please contact us at 0333 304 3346 (standard call charges apply) for details of the relevant fraud prevention agencies.

## Price of your insurance

The price of this insurance is based upon the model and type of device you purchased, this includes any taxes or additional charges which may apply. The monthly premium will be collected by Vodafone on behalf of the insurer Assurant General Insurance Limited and is added to your Vodafone network bill. The amount you pay for this insurance is confirmed on your Certificate of Insurance and also by viewing your online bill at

[Vodafone.co.uk/myvodafone](http://Vodafone.co.uk/myvodafone)

## Duration of this Policy

If you only wish to cancel your insurance policy, this policy has a three month minimum term beginning on the day you purchase the insurance unless your device is being delivered, where it will begin once you have received confirmation of delivery. Please refer to the “Cancelling your insurance” section for more information on how to cancel your policy. This insurance policy will continue to run on a monthly basis until one of the following events happens:

- You contact us to cancel the insurance.
- The insurer cancels the insurance.
- In the event 3 successful claims are made in a continuous 12 month period.
- Where you upgrade your device with Vodafone (a new policy will be offered with the upgraded device)
- **For customers with a Vodafone EVO Plan** – when you no longer have both a Vodafone Device Plan and Vodafone Airtime Plan. In this case, this insurance policy will end at the same time as whichever of your Vodafone Device Plan and Vodafone Airtime Plan is terminated later. For example, if your Vodafone Device Plan terminates on 1 June and your Vodafone Airtime Plan terminates on 1 December, this policy would end on 1 December. Where it is your Vodafone Device Plan that is terminated later, this insurance policy will cancel within 7 days of us receiving confirmation of your final payment for your Vodafone Device Plan.
- **For customers with a Vodafone Plan** - your insurance will end when your Vodafone Pay Monthly Price Plan is cancelled or disconnected.
- **For customers with a Vodafone SIMO Plan** - Your insurance will end when your Vodafone SIM only airtime plan is cancelled or disconnected.

If you fail to pay the monthly premium on time all cover under this policy will be suspended. You won't be able to make a claim for any incidents after the policy has been suspended until you have paid any outstanding premium.

If you continue to not pay your premium we may cancel your policy.

## Cancelling your insurance

You can cancel this insurance within 30 days of receiving these terms and conditions without paying any extra fees or charges and the first month's premium will be refunded provided no claim has been made.

After the 30 day period this policy has a 3 month minimum period where the monthly premium will be collected on your Vodafone bill for each of these months. After this 3 month minimum period you can cancel at any time. We will provide a pro rata refund for any unused period of insurance for the month in which you cancel.

To cancel this insurance policy please contact Lifestyle Services Group Limited on 0333 304 3346 (standard call charges apply).

The insurer can cancel the insurance without notice if you do not pay the monthly premium when due or if you make a claim which we believe to be fraudulent.
