

TOP UP, GET FREE STUFF ON THE UK'S BEST NETWORK

New Vodafone Freebees on Pay as you go - Vodafone UK customers get great value pay as you go price plans with free texts and web access, or international calls when they top up

Vodafone UK has introduced two great new Vodafone Freebees for its Pay as you go customers giving free texts and web access, or free international calls when they top up as little as £10.

The new price plans offer great value to customers, and the more customers top up, the more Vodafone gives. For example, if you choose Vodafone Text and Web and top up £10 immediately you get 300 texts and a 500MB web allowance to use over the next 30 days. Any further top ups will count towards more rewards in the following 30 days.

The new plans are as follows:

TopUp and Get Text and Web

If you love texting and browsing, this is ideal. The more you top up, the more texts you'll get – plus 500MB of web access, so you can visit your favourite sites on your mobile.

Top up	You get	Vodafone gives you an extra
£10	£10 credit	300 texts and 500MB web access
£15	£15 credit	500 texts and 500MB web access
£30	£30 credit	3000 texts and 500MB web access

TopUp and Get International

If you make a lot of calls to friends and family overseas, you'll love this. The more you top up, the more free international minutes you get.

Top up	You get	Vodafone gives you an extra
£10	£10 credit	60 international minutes
£15	£15 credit	100 international minutes
£30	£30 credit	240 international minutes

Notes to editors:

On top of the great value that the new price plans offer, Vodafone UK has been voted the UK's best network by both Mobile Magazine and Mobile News in 2010, so customers don't just get a great deal, but it's on the UK's best network.
