Available exclusively from Vodafone retail stores, the Vodafone 360 Samsung M1 is tailor-made to deliver the Vodafone 360 experience. A set of internet services for the mobile and PC, [Vodafone 360](#) gathers together all your contacts from your phone, Facebook®, Windows Live Messenger™ and Google Talk™ - on your mobile and PC. The Vodafone 360 Samsung M1's inbuilt GPS also allows customers to take a photo and add their precise location, so friends know where they are, should they wish.

The Vodafone 360 Samsung M1 boasts a 3.2-inch, 16million colour, TFT touchscreen display - perfect to browse the web, watch movies or view the results of the 3.2 megapixel camera with 8 x digital zoom in crystal clear detail. The stunning 3D visuals eliminate the need for endless scrolling. Simply glide your finger across the screen to whizz through contacts quickly and easily.

You'll never have to fear about losing your precious contacts or pictures, as Vodafone 360 automatically backs up all of your phone content. For more information on how Vodafone 360 can transform the way you communicate, see shop.vodafone.co.uk/360.
