

Vodafone doubles talk time on £30 Business Essentials Plan for an exclusive two week promotion

Vodafone UK is offering its small business customers double minutes, for the life of their contract, when signing up for a £30 Business Essentials Plan during an exclusive two week promotional period from 9th September to 23rd September.

Small business customers choosing a Blackberry Bold 9700 on 24 Month Business Essentials plan will get 1500 UK minutes (normally 750 minutes), 250 standard UK texts, 3000 landline minutes (to 01,02 & 03 numbers in the UK) & 500MB of UK Data for £30. At the end of the 24 month promotion the standard price plan is re-introduced.

Vodafone Business Essentials is a great value, flexible price plan for people who are self employed and small businesses that allows up to four employees to create their own personalised price plan that fits with the way they work.
