

**VODAFONE UK INTRODUCES NEW MUSIC PACKS OFFERING GREAT VALUE
FOR MUSIC FANS**

NEARLY TWO MILLION TRACKS TO DOWNLOAD FROM 40 PENCE EACH

Vodafone UK, the third biggest provider of digital music in the UK, has introduced two new music packs, designed to let customers get the best possible value when downloading their favourite music to their phone. Both packs give customers access to nearly two million tracks from as little as 40p.

The packs are available across a range of handsets and are unlocked so the tracks are yours to keep and move to any other music device or PC. The new packs – the four track pack and the 25 track pack are available for £2.50 and £10 respectively. They add to the already established 10 tracks for £5 pack.
