### 1. The Discount

- 1.1 If you have an active eligible Pay Monthly Plan with a OneNumber Connectivity Plan on your smartwatch, you will be eligible for a £3.50 discount on a tablet Connectivity Plan, this is called a OneNumber Bundle discount (“Discount”).
- 1.2 The Discount will be automatically applied to your tablet Connectivity Plan.

### 2. Eligibility

- 2.1 You will need to have an active Vodafone Pay Monthly Plan with a OneNumber Connectivity Plan on your smartwatch to be eligible for the Discount.
- 2.2 The Discount is only available if your tablet is a cellular model (not WiFi only) and is eSIM compatible.
- 2.3 The OneNumber terms & conditions are located in our Pay Monthly Airtime Agreement, available here: [vodafone.co.uk/terms](https://vodafone.co.uk/terms) (click ‘Consumer’, ‘Mobile’, ‘Pay Monthly’ then ‘Purchased from Vodafone’ to access the Pay Monthly Airtime Agreement).
- 2.4 The Discount is only available to consumers, sole traders and small business customers with less than 10 employees that purchase eligible Pay Monthly Airtime, smartwatch Connectivity and tablet Connectivity Plans. If you’re a sole trader or small business customer and you’re unsure if you have an eligible Pay Monthly Airtime Plan, please use our eligibility checker available at: [vodafone.co.uk/mobile/onenumber/getconnected](https://vodafone.co.uk/mobile/onenumber/getconnected).
- 2.5 For the avoidance of doubt, in these terms ‘Connectivity Plan’ means a OneNumber plan that enables you to use the allowances from your eligible Pay Monthly Airtime Plan on your smartwatch or tablet (as the context requires).

### 3. Cancellation and Termination

- 3.1 If you cancel your smartwatch Connectivity Plan, your Discount will be removed from your tablet Connectivity Plan.
- 3.2 If you cancel your Pay Monthly Mobile Plan, any associated Connectivity Plans will be terminated.
