Your agreement with us

Your agreement is with **Vodafone Limited**, registered in England under number 1471587 at Vodafone House, The Connection, Newbury, Berkshire, RG14 2FN. It's made up of these General Network Terms and Charges Guide which covers the SIM card and any services you use in your bundle. It doesn't cover any equipment however see "equipment subsidy" below. We'll send these to you by post or email. We also encourage you to take a look at our Returns, Privacy and Acceptable Use Policies which also make up your "Agreement" with us. You can find these documents at <http://www.vodafone.co.uk/agreementpolicies>.

Joining us and charges

The basics. When you join us we'll agree certain things with you and set them out in your **Order Form** or **Welcome Letter**. These documents will include important information like:

1. how long we'll provide our services to you and the minimum period you have agreed to stay with us;
2. your chosen bundled services and how much these will cost you every month;
3. additional services you have chosen as part of your bundle, when they start and end and when you'll be charged for these; and
4. any upfront charges you've paid or may have to pay for your equipment.

Charging. Your **Charges Guide** sets out current pricing information about out of bundle charges (extra texts, minutes, and data) as well as charges for additional services which are not included in your monthly bundle charges. It also includes roaming charges which may be a lot higher than your UK standard charges. All these charges will be added to your bill as and when you use the services.

Payment. You'll need to pay for all charges within 7 days of the date of your bill. We ask that you pay by direct debit so please contact us if you wish to pay by other means. Where VAT applies, it will be included in the charges. If you pay late we'll charge interest of 2% above the base rate of Barclays Bank each year and you'll also need to pay a reasonable charge to compensate us for the administration costs incurred (see your Charges Guide).

Upgrade. We don't have to offer you an upgrade but if we do we'll agree a new bundle, minimum period and any applicable equipment with you. Unless you have upgraded via 'flexi upgrade' your new minimum period will not start until you have seen out your original minimum period. We'll discuss the options with you when you qualify for an upgrade.

During your agreement with us

Using the services. You're responsible for other people that use your equipment and services which are only for your personal non-commercial use. We own the phone number and the SIM card which we can change at any time and you may only use equipment that is approved for use on our network. For more information on using our services and restrictions please review our Acceptable Use Policy.

Usage limits. We may decide to set a monthly call and/or internet limit on your account. It's possible you may go over this limit (for example when you're roaming) but if this happens you must still pay all charges. If your usage increases significantly we may ask for a part payment so you can continue to use the services.

Changes to your terms, services or charges. We may change the Agreement, our services, or charges at any time. We'll tell you beforehand unless it relates to additional services or out of bundle services you don't use regularly. The charges may change as follows:

- **Bundle charges** (bundled minutes, texts, data & entertainment allowance, etc.). Each April your bundle charges will increase by an amount equal to the retail prices index rate published by the Office for National Statistics in March (RPI rate). We will apply that RPI rate adjustment from your April bill. If the RPI rate is a decrease, your bundle charges will not be reduced.
- **Out of bundle services** (additional minutes, texts, data,aming, international calls etc.). We may increase charges for out of bundle services at any time.
- **Additional services** (Data Extras, content services etc.). Charges for additional services may change from time to time and may be outside of Vodafone's control so you'll need to check our website for the latest prices.

If we change your bundle charges, out of bundle charges, our services or the Agreement you may have a right to end the Agreement without paying a termination charge (although you'll need to pay for your equipment subsidy). Please see "Leaving Us" below.

Problems with our services. We'll provide our services with reasonable skill and care. However, our services are not fault-free and are not available everywhere in the UK. Please check the predicted coverage in your area on Vodafone's website (www.vodafone.co.uk/explore/network/uk-coverage-map/). There are a number of reasons why you may find problems with the services and these include moving home or work, weather conditions, damage to our network, the number of people using the network and so on. Please contact us if you experience a service issue and we'll attempt to fix it.

If we have to interrupt our services for maintenance or we cause a technical fault on our network, you may be entitled to a partial credit of your bundle charges based on the number of days you are without our services. If you are experiencing a materially degraded service for an unreasonable period of time, please read our "Leaving Us" section below. We'll not be responsible for any loss of service due to something outside our reasonable control. To receive a partial credit of your charges or terminate the Agreement, you must report to us a severe disruption which we will assess against your typical usage history. We may offer you alternative equipment (such as Vodafone Sure Signal) to address service quality.

Lost or Stolen Equipment. If your SIM card is lost or stolen, you must tell us as soon as possible so we can suspend our services and stop someone else using it. Your maximum liability for charges incurred up until you notify us will be as follows:

Notification within 24hrs: £100 maximum

Notification 24+hrs – 5days: £500 maximum

Notification 5 days+: all charges until you have reported to us.

You'll also continue to pay all the remaining bundle charges for our services for the minimum period, even if your SIM card or equipment is lost or stolen.

Leaving us/suspending the services

Cancelling, returns and faulty equipment. Please read our Returns Policy for details on how to do this. It also sets out what to do if your equipment is faulty and how you can return your equipment or get your equipment fixed or replaced.

If you want to end the Agreement:

Because you simply want to leave us. If you're outside of your minimum period you can cancel at any time but you'll need to give us 30 days' notice. If you are within your minimum period you'll need to pay a termination fee. Your Charges Guide gives you a calculation to work out how much this will be.

Because of the quality of our services. If the service is materially degraded for an unreasonable period of time you may be able to leave the Agreement early without paying a termination charge (although you'll need to pay for your equipment subsidy). Contact us to discuss your options.

Because of changes. If we, (i) increase your bundle charges more than once per year or by more than the RPI rate; (ii) increase your out of bundle charges or change our services or the Agreement to your material detriment, you'll have a right to leave the Agreement early without paying a termination fee (although you'll need to pay for your equipment subsidy). We'll let you know if this is the case and what to do before the changes are made. If you take no action within 30 days of us telling you about the changes you'll be considered to have accepted those changes.

Equipment subsidy. All the information required to calculate your equipment subsidy is set out in your Welcome Letter. The subsidy you pay will be 1/24 of the original value of the equipment less any up-front payment you made towards it, multiplied by the number of months left of your minimum period at the time the agreement ends. We'll add this charge to your final bill.

If we want to suspend our services or end the Agreement. We may suspend our services or end the Agreement if,

- (i) you don't pay any charges on time;
- (ii) you don't do something fundamental that you have to do under the Agreement;

- (iii) you use any of our services in a way that may damage or affect the operation of our network; or
- (iv) you become bankrupt or make an arrangement with creditors. Where we end the Agreement in this way termination fees will apply. We may need to suspend our services if asked to do so by regulators or if required by law.

We may end the Agreement if we are permanently unable to provide our services to you. You won't have to pay a termination fee in this case although you'll need to pay for your equipment subsidy.

General

Prices are correct at time of print and are inclusive of VAT. If there is a conflict between the pricing and bundle information in this Charges Guide and the pricing and bundle information on our website, then the pricing and bundle information on our website shall take priority. You can find out about all our latest call, text, video and data charges by checking vodafone.co.uk/pmcharges

All our services which are offered as “unlimited” (or similar) must only be used for your personal and non-commercial use.

Where a call originating from a handset is disconnected, the network will initially assume that signal has been temporarily lost, e.g. when passing under a bridge or through a tunnel you could lose signal. The connection will be maintained and charged for the first 10 seconds after signal is lost. Should signal be re-established, the call will continue as before. If however, the caller has switched off the phone, run out of battery capacity or moved permanently out of range, the charges for that call will include the 10 seconds. In order to minimise the risk of unnecessary charges, customers should be careful to end each call as set out in the user instructions for the handset.

Please note you may incur additional charges due to manufacturer specific features on your handset. Please see your handset user guide for more information.

Inclusive roaming allowances are only for our UK customers who are on short holidays or short business trips to countries within our Europe Zone. If you're permanently roaming abroad - for example, you continuously use your phone from within our Europe Zone for more than 30 days – we may suspend international roaming on your account so you're no longer able to use your phone abroad. We'll contact you before we do this.
