All other call and text types on the Vodafone Business Premier Plan shall be charged at the out of bundle rates set out in this Price Plan Guide.

Calls made through the return call service via voicemail are not included in the Customer's allowance.

### Inclusive Secure Net

Inclusive Secure Net is free in all Vodafone Business Premier plans and helps protect against viruses, malware and phishing when you and your employees browse the internet, download files or use email on your mobile devices.

See <http://www.vodafone.co.uk/securenet> for service terms and more details

### RPI

Each April your monthly Access Fee will increase by an amount equal to the Retail Price Index (RPI) rate published by the Office for National Statistics in January. We will apply the RPI rate adjustment in your April bill. If the RPI rate is a decrease, your monthly Access Fee will not be reduced. If we increase your monthly Access Fee above the RPI rate or more than once per calendar year you will have a right to end this agreement.

All Vodafone Small Business plans include Business Traveller which allows Customers to take their UK minutes, texts and data to our Europe Zone for free and to our World Zone for £5 ex VAT a day on all small business plans.

Please note that by opting into Vodafone Business Traveller:

- Customer will automatically opt out of the 50 euro spend data cap and associated notifications whilst in the World Zone
- Customer will still be opted into the monthly spend limit in countries outside our World Zone

Customers can opt out of Business Traveller at any time and will revert back to standard roaming rates and the 50 euro monthly spend data cap and associated notifications whilst in the World Zone. They will not lose their Europe Zone benefit.

The Business Traveller price plan guide applies to Customer's use of Business Traveller (please see [www.vodafone.co.uk/businesstraveller](http://www.vodafone.co.uk/businesstraveller)).

### Inclusive Roaming Fair Usage Policy

Inclusive European Roaming services in Europe Zone 1 and 2 are intended for use during periodic travel and not for customers roaming across foreign networks on a semi-permanent or permanent basis.

If customers use their mobile in our Europe Zone 1 and 2 for more than 50% of the time in any 4 month rolling period, they will receive a text requesting more moderate use of our roaming services.

If customers' usage in our inclusive Europe Zone 1 and 2 continues to exceed 50% as described above, over the 2-week period following the first notification, customers may be charged for further use or we may bar them from using our roaming services. Customers will be notified before we do this.

### Inclusive Non-Geo minutes

Normally starting with 084 and 087, non-geographic numbers are often helplines for organisations like banks, insurance companies, utilities and charities. Calls to these numbers are not usually included in Customer's monthly minutes allowance, however Business Premier SIM Only 3, 4 and 5 includes 300 of these minutes for free.
