

Vodafone World Traveller Package

Welcome to the Vodafone World Traveller Package.

Spend more time at the check-in desk than your office desk? Then this is the package for you. It keeps you constantly connected, wherever in the world your business takes you.

Take Jasmine for example:

Jasmine is a journalist and reports on news from around the world. Week on week she travels to different places and can sometimes be there for weeks at a time until the story is complete. Due to her job Jasmine is constantly online sending drafts of her reports to her editor, uploading photos and researching on the web.

That's why the Vodafone World Traveller Package is perfect for Jasmine, priced at is £95 a month this gives you 5 gigabyte of data in the UK, then 5p a megabyte in the UK thereafter. It also includes 200 megabyte of data usage outside the EU and then its £25 a day thereafter. The length of the contract is 12 months.

Vodafone will also send you an SMS text to let you know how much of your allowance you've used each month, and any extra that you have spent so you can really keep on top of what you are spending.

The benefits of this package is that you'll be able to use it in the UK, in selected countries worldwide, with clear costs to know how much you are spending and have seamless, automated access to 4,000 BT Openzone Wi-Fi hotspots in the UK for no extra charge.

Once you have chosen the right mobile internet package for you, you then have the option to choose whichever device you want in order to connect your mobile internet to. If you don't need a device, then just select the SIM card option.
